

John Poku

Software Developer

778.238.1756 | jvbpoku@gmail.com | <https://johnpoku.com/> | <https://github.com/DarkRagingInferno>

SKILLS

Software Development	JavaScript, Python, C#, Java, .NET Core
Web/Mobile	Swift, React, HTML, CSS, Node.js, Express.js, REST API
Development Tools	Git, Agile
Database	MySQL, SQL, SQLite
Cloud Services	AWS, Azure, Heroku

EXPERIENCE

ImSimPy

May 2020 -
December 2020

Medical Imaging Simulator Contract | Full-Stack | Proprietary App

- Developed a medical image simulator, designed to resemble medical tools, used for training and educational purposes
- Implemented 3D Voxel-based graphics and image processing techniques using tools such as Python, SciPy, numpy, tkinter, and ttk
- Translated MATLAB code base to be efficient, scaleable, optimized, and follow Object-Oriented Programming methodologies in Python
- Designed and configured a full front-end GUI in Python using tkinter and ttk libraries
- Collaborated in a team to follow agile development methodologies with MVP

Allergy App

Allergy Grocery App | React | Full-Stack | Relational Database | REST API

- Designed and built a cross platform mobile app using React-native to inform users whether or not it contains a specific allergen
- Created and configured MySQL using Amazon Web Services (AWS)
- Implemented and optimized stored procedures and functions in MySQL to be called by Express.js back-end endpoints
- Created a REST API to communicate with stored functions and procedures in a MySQL database

Pokemon API

RESTful API Service | Back-End | Relational Database | AWS

<https://johnpoku.com/pokeAPI/index.html>

- Created and configured a MySQL relational database setup using Amazon Web Services (AWS)
- Implemented and optimized stored procedures and functions in MySQL to be called by Express.js back-end endpoints
- Built REST API using Express.js to communicate with database MySQL stored

EDUCATION

2018 - 2020

Computer Systems Technology | Diploma with Distinction Web and Mobile

British Columbia Institute of Technology - Burnaby, BC

2015 - 2018

Kinesiology & Health Sciences Stream | Bachelor of Kinesiology

University of British Columbia - Vancouver, BC
